

Dear Doctor,

You are invited to attend one-day comprehensive training & certification course which is a great educational collaborated effort between Agha Khan University Karachi, PAO and ClearPath Orthodontics.

This course provides participants with the clinical and operational training necessary to begin treating cases with Clear Aligner Technology.

This event will provide an opportunity to the dentists to comprehend and adopt the advancements in the field of orthodontics technology, mandatory for enhancing clinical capabilities.

Looking forward to see you at the venue.

Course Outline

Lectures
