

DR NAZIR LALANI

DDS, MCID, FRCDC

After graduating from the University of Alberta's dental school in 1992, Dr. Nazir Lalani entered private practice in the Golden Horseshoe area. Three years later, he was one of three candidates accepted into the graduate orthodontic program at the University of Western Ontario's Schulich School of Medicine and Dentistry.

At Schulich, Dr. Lalani earned his Master of Clinical Dentistry degree. He also obtained a specialty certification in orthodontics from the Royal College of Dental Surgeons of Ontario. In addition to working in a full-time practice, he is a visiting professor at the University of Western Ontario's graduate orthodontic program.
